Excision/Alteration: Yes.

Reason(s) for Excision:

Three excisions are required to the video recording. The first two are to remove back-to-back trailers, *Seymore Butts Home Movies* and *American Tushy*, which present a barrage of dehumanising, degrading and demeaning images of women engaged in sexual activity or having sexual activities performed upon them. The women are presented as little more than a set of orifices for men to penetrate. The trailers are intended for sexual arousal. The third excision is required to remove part of a scene in which a woman is degraded, dehumanised and demeaned by being presented in terms of her distended vagina.
